

WEAPONS CARE SYSTEM PELLETS - VFG 22 CALIBER SUPER INTENSIVE PELLETS 80/BAG

Absorbent Felt Pellets Quickly Scrub Barrels Clean

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

Safety Instruction Guide for WEAPONS CARE SYSTEM PELLETS VFG 22 CALIBER SUPER INTENSIVE PELLETS

Introduction

Thank you for choosing the WEAPONS CARE SYSTEM PELLETS VFG 22 CALIBER SUPER INTENSIVE PELLETS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the product is suitable for your specific firearm caliber.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for product recalls and safety updates via the EU Safety Gate platform.
- Report any unsafe product incidents to the relevant authorities.
- Ensure that your cleaning area is wellventilated and free from any ignition sources.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The pellets may pose a choking hazard if ingested.
 - Solvents and oils used with the pellets may be harmful if inhaled or come into contact with skin.
- **Avoiding Hazards:**
 - Do not use the pellets if they are damaged or show signs of wear.
 - Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling solvents.
 - Use the product only in a wellventilated area to minimize inhalation risks.
 - Follow all safety instructions provided with any solvents or oils used with the pellets.

Instructions for Installation and Usage

1. Preparation:

- Gather your cleaning rod, felt pellets, and your preferred cleaning solvent.
- Ensure that your firearm is unloaded and in a safe condition before cleaning.

2. Installation:

- Attach the appropriate cleaning rod adapter to your cleaning rod.
- Slip two felt pellets onto the cleaning rod adapter.

3. Usage:

- Apply your favorite solvent to the felt pellets.
- Insert the cleaning rod into the bore of the firearm and push it through to scrub out dirt and fouling.
- As you withdraw the rod, the front pellet will fall off while the rear pellet continues to polish the bore.
- Repeat the process as necessary until the bore is clean.

4. PostCleaning:

- After cleaning, apply oil or other protective agents to the bore as needed.
- Dispose of used pellets and any cleaning materials in accordance with local regulations.

Disposal Instructions

- Dispose of used felt pellets and any cleaning solvents in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if local regulations require special disposal methods.

Contact Information for Further Support
