

WEAPONS CARE SYSTEM PELLETS - VFG 22 CALIBER SUPER INTENSIVE PELLETS 500/BAG

Absorbent Felt Pellets Quickly Scrub Barrels Clean

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

Safety Instruction Guide for WEAPONS CARE SYSTEM PELLETS VFG 22 CALIBER SUPER INTENSIVE PELLETS 500/BAG

Introduction

Thank you for choosing the WEAPONS CARE SYSTEM PELLETS VFG 22 CALIBER SUPER INTENSIVE PELLETS. This product is designed to provide an innovative and efficient cleaning solution for rifle and handgun barrels. To ensure safe and effective use, please read and follow the instructions outlined in this guide.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- This product is intended for use by adults only. Keep out of reach of children.
- Always wear appropriate safety gear, including eye protection, when using cleaning products and tools.
- Be aware of potential hazards associated with cleaning solvents and materials.
- Check for any recalls or safety alerts regarding this product on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use only in wellventilated areas to avoid inhalation of fumes from cleaning solvents.
- Do not ingest any cleaning materials or solvents. If ingested, seek medical attention immediately.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water and seek medical advice if irritation persists.
- Ensure that the cleaning rod adapter is compatible with your cleaning rod before use.
- Do not use the pellets with any cleaning rod that is damaged or worn.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials: WEAPONS CARE SYSTEM PELLETS, cleaning rod, cleaning rod adapter, and your preferred cleaning solvent.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Select the appropriate cleaning rod adapter based on your cleaning rod specifications:
 - Adapter 603 fits Parker Hale .270 and larger rods.
 - Adapter 604 fits Parker Hale .22 6.5mm rods.
 - Adapter 606 fits 732 tpi rods.
 - Adapter 607 fits 832 tpi rods.
- Attach the cleaning rod adapter to the cleaning rod securely.

3. Usage:

- Slip two felt pellets onto the cleaning rod adapter.
- Apply your preferred cleaning solvent to the pellets.
- Insert the cleaning rod into the bore of the firearm and push through to scrub out dirt and fouling.
- As you withdraw the rod, the front pellet will fall off, while the rear pellet continues to polish the bore.
- Repeat the process as necessary until the bore is clean.

4. PostUsage:

- Dispose of used pellets and any excess cleaning solvent according to local regulations.
- Clean the cleaning rod and adapter after each use to maintain their condition.

Disposal Instructions

- Dispose of used pellets and cleaning materials in accordance with local waste disposal regulations.
- Do not dispose of cleaning solvents down the drain or in regular household waste.
- Check with local authorities for specific disposal instructions for hazardous materials.

Contact Information for Further Support
