

# **WEAPONS CARE SYSTEM PELLETS - VFG 30 CALIBER-7.5MM SUPER INTENSIVE PELLETS 50/BAG**

## **Absorbent Felt Pellets Quickly Scrub Barrels Clean**

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

## **Attributes**

# Safety Instruction Guide for Weapons Care System Pellets VFG 30 Caliber 7.5mm

## Introduction

Thank you for choosing the Weapons Care System Pellets VFG 30 Caliber 7.5mm. This innovative cleaning system is designed to efficiently clean rifle and handgun barrels with minimal effort and mess. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use damaged products.
- Store the product in a cool, dry place away from direct sunlight.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when using cleaning solvents.
- Ensure that the area is well-ventilated when using solvents or cleaning agents.
- Do not ingest or inhale cleaning solvents.
- Keep cleaning solvents away from open flames and heat sources.
- Use the product only with compatible cleaning rod adapters as specified by the manufacturer.
- Avoid using excessive force when pushing the cleaning rod through the bore to prevent damage.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary materials: cleaning rod, VFG pellets, and your preferred solvent.
- Ensure that the firearm is unloaded and in a safe condition before beginning the cleaning process.

### 2. Installation of Pellets

- Slip two felt pellets onto the cleaning rod adapter.
- Ensure that the pellets fit snugly to follow the rifling effectively.

### 3. Application of Solvent

- Apply your favorite cleaning solvent to the pellets.
- Be cautious not to oversaturate the pellets.

### 4. Cleaning Process

- Insert the cleaning rod with the attached pellets into the bore of the firearm.
- Push the rod through the bore to scrub out dirt and fouling.
- As you withdraw the rod, the front pellet will fall off, while the rear pellet will polish the bore.

### 5. Post-Cleaning

- After cleaning, ensure that all cleaning solvents are properly disposed of according to local

regulations.

- Store the cleaning rod and pellets in a safe and dry location.

## **Disposal Instructions**

- Dispose of used pellets and cleaning materials in accordance with local environmental regulations.
- Do not dispose of solvents down the drain or in regular trash.
- Check for designated hazardous waste disposal sites for safe disposal of cleaning solvents.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the Weapons Care System Pellets VFG 30 Caliber7.5mm, please refer to the manufacturer's contact details provided on the packaging or product documentation.

By following these guidelines, you can ensure safe and effective use of the Weapons Care System Pellets VFG 30 Caliber7.5mm. Thank you for your attention to safety.
