

WEAPONS CARE SYSTEM PELLETS - VFG 30 CALIBER-7.5MM SUPER INTENSIVE PELLETS 500/BAG

Absorbent Felt Pellets Quickly Scrub Barrels Clean

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

Weapons Care System Pellets Safety Instructions

Introduction

Thank you for choosing the Weapons Care System Pellets. This innovative cleaning solution is designed to efficiently clean rifle and handgun barrels with minimal effort and mess. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product if it appears damaged or defective.
- Ensure proper ventilation when using solvents or cleaning agents.
- Avoid direct contact with eyes and skin. If contact occurs, rinse thoroughly with water.
- Dispose of used pellets and cleaning materials according to local regulations.

Specific Safety Precautions for Use

- Use only the recommended cleaning rod adapter for your specific caliber.
- Ensure the cleaning rod is securely attached to the adapter before use.
- Do not exceed the recommended number of pellets per cleaning session to avoid clogging.
- Always wear protective eyewear when cleaning firearms to prevent injury from debris.
- Do not use the product near open flames or heat sources, as solvents may be flammable.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary materials: cleaning rod, adapter, felt pellets, and your preferred cleaning solvent.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Assembly

- Attach the appropriate cleaning rod adapter to your cleaning rod.
- Slip two felt pellets onto the adapter.

3. Application

- Apply your preferred cleaning solvent to the pellets.
- Insert the cleaning rod into the bore of the firearm.
- Push the rod through the bore to scrub out dirt and fouling. The pellets will fit snugly to follow the rifling.
- As you withdraw the rod, the front pellet will fall off, while the rear pellet will continue to polish the bore.

4. PostCleaning

- After cleaning, remove any remaining debris from the bore using a dry patch.
- Apply oil or a cleaning solvent as needed to protect the bore.

Disposal Instructions

- Dispose of used pellets and cleaning materials in accordance with local waste disposal regulations.
- Do not throw used pellets in regular household trash.
- Check with local authorities for proper disposal methods for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the safe use of the Weapons Care System Pellets, please refer to the manufacturer's contact information provided on the packaging or the official website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Weapons Care System Pellets. Thank you for your attention to these important guidelines.
