

WEAPONS CARE SYSTEM PELLETS - VFG 8MM-338 CALIBER SUPER INTENSIVE PELLETS 40/BAG

Absorbent Felt Pellets Quickly Scrub Barrels Clean

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

Safety Instruction Guide for WEAPONS CARE SYSTEM PELLETS VFG 8MM338 CALIBER SUPER INTENSIVE PELLETS 40/BAG

Introduction

Thank you for choosing the WEAPONS CARE SYSTEM PELLETS VFG 8MM338 CALIBER SUPER INTENSIVE PELLETS. This product is designed to provide an innovative and efficient cleaning solution for rifle and handgun barrels. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for use.
- Inspect the product for any signs of damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear safety glasses when using cleaning solvents to protect your eyes from splashes.
- Use in a wellventilated area to avoid inhaling fumes from solvents and cleaning agents.
- Do not ingest the pellets or solvents; they are not food products.
- Avoid contact with skin; if contact occurs, wash the affected area with soap and water.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Ensure that the cleaning rod adapter is compatible with your cleaning rod to avoid breakage.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the cleaning rod, adapter, solvent, and the VFG pellets.
- Ensure your workspace is clean and organized to avoid any accidents.

2. Installation:

- Attach the appropriate cleaning rod adapter to your cleaning rod.
- Confirm that the adapter fits securely to prevent it from detaching during use.

3. Usage:

- Take two felt pellets from the bag.
- Slip the pellets onto the cleaning rod adapter.
- Apply your preferred cleaning solvent to the pellets.
- Insert the cleaning rod into the bore of the firearm.
- Push the rod through the bore to scrub out dirt and fouling. The front pellet will fall off as you withdraw the rod, while the rear pellet will polish the bore.
- Repeat as necessary until the bore is clean.
- After cleaning, apply oil or other cleaning agents as needed.

4. PostUsage:

- Clean the cleaning rod and adapter thoroughly after use.
- Dispose of used pellets and any waste materials in accordance with local regulations.

Disposal Instructions

- Dispose of the product and any packaging materials in accordance with local waste management regulations.
- Do not dispose of the product in household waste if it contains hazardous materials; check local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any inquiries regarding the safety and usage of this product, please refer to the manufacturer's contact details provided on the packaging or product insert.

Thank you for your attention to these safety instructions. Enjoy using your WEAPONS CARE SYSTEM PELLETS VFG 8MM338 CALIBER SUPER INTENSIVE PELLETS safely and effectively.
