

WEAPONS CARE SYSTEM PELLETS - VFG 50 CALIBER FELT PELLETS 250/BAG

Absorbent Felt Pellets Quickly Scrub Barrels Clean

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

Safety Instruction Guide for WEAPONS CARE SYSTEM PELLETS VFG 50 CALIBER FELT PELLETS 250/BAG

Introduction

Thank you for choosing the WEAPONS CARE SYSTEM PELLETS VFG 50 CALIBER FELT PELLETS. This product is designed to efficiently clean rifle and handgun barrels with minimal effort and mess. To ensure your safety and the effective use of this product, please read and follow the safety guidelines outlined in this document.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Be aware of potential risks associated with the use of cleaning products and tools.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates or recalls regarding this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including gloves and eye protection, when using cleaning solvents.
- Ensure the firearm is unloaded and pointed in a safe direction before cleaning.
- Use only the recommended cleaning rod adapter for your specific firearm.
- Do not use the pellets with any solvents that are not compatible with the firearm materials.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Dispose of used pellets and cleaning solvents according to local regulations.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded and in a safe condition.
- Gather all necessary materials, including the cleaning rod, adapter, and your preferred solvent.

2. Installation of Pellets

- Slip two felt pellets onto the cleaning rod adapter.
- Make sure the pellets fit snugly to ensure effective cleaning.

3. Application of Solvent

- Apply your chosen cleaning solvent to the felt pellets.
- Avoid oversaturating the pellets to minimize mess.

4. Cleaning Process

- Insert the cleaning rod with the attached pellets into the bore of the firearm.
- Push the rod through the bore to scrub out dirt and fouling.
- As you withdraw the rod, the front pellet will fall off, while the rear pellet continues to polish the bore.

5. PostCleaning Care

- After cleaning, inspect the bore for any remaining fouling.
- If necessary, repeat the cleaning process with fresh pellets.

Disposal Instructions

- Dispose of used felt pellets and any cleaning solvents according to local waste disposal regulations.
- Do not dispose of cleaning products in household waste or down the drain unless specified by local guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the EUbased contact point provided by the manufacturer.
