

WEAPONS CARE SYSTEM PELLETS - VFG 12 GAUGE SUPER INTENSIVE PELLETS 25/BAG

Absorbent Felt Pellets Quickly Scrub Barrels Clean

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

Safety Instruction Guide for WEAPONS CARE SYSTEM PELLETS VFG 12 GAUGE SUPER INTENSIVE PELLETS 25/BAG

Introduction

Thank you for choosing the WEAPONS CARE SYSTEM PELLETS VFG 12 GAUGE SUPER INTENSIVE PELLETS. This product is designed to provide an innovative and efficient cleaning solution for rifle and handgun barrels. It is essential to follow safety guidelines to ensure safe and effective use. This guide outlines important safety information, usage instructions, and disposal methods in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is cleaning rifle and handgun barrels.
- Always keep the product out of reach of children and vulnerable individuals to prevent accidental use.
- Regularly check the product for any signs of wear or damage before use.
- If you experience any adverse reactions or accidents while using the product, report them to the appropriate authorities.
- Stay informed about product recalls and safety updates by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always use the WEAPONS CARE SYSTEM PELLETS in a wellventilated area to avoid inhaling fumes from solvents and cleaning agents.
- Wear protective eyewear and gloves when handling cleaning solvents and the pellets to prevent skin and eye irritation.
- Do not ingest the pellets or any cleaning solvents; they are not food products.
- Ensure that the cleaning rod adapter is securely attached before using the pellets to avoid accidents.
- Follow the manufacturer's instructions for the cleaning solvents used with the pellets to avoid chemical reactions.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary materials: WEAPONS CARE SYSTEM PELLETS, cleaning rod, cleaning rod adapter, and your preferred cleaning solvent.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation

- Select the appropriate cleaning rod adapter based on your cleaning rod size:
 - Adapter 603: Fits Parker Hale .270 and larger rods.
 - Adapter 604: Fits Parker Hale .22 6.5mm rods.
 - Adapter 606: Fits 732 tpi rods.
 - Adapter 607: Fits 832 tpi rods.
- Attach the cleaning rod adapter to the cleaning rod securely.

3. Usage

- Slip two felt pellets onto the cleaning rod adapter.

- Apply your preferred solvent to the pellets.
- Insert the cleaning rod into the bore of the firearm and push through to scrub out dirt and fouling.
- As you withdraw the rod, the front pellet will fall off, while the rear pellet will polish the bore.
- Repeat the process as necessary until the bore is clean.

4. PostUse Care

- After cleaning, dispose of used pellets and any waste materials in accordance with local regulations.
- Clean the cleaning rod and adapter to prevent residue buildup.

Disposal Instructions

- Dispose of used pellets and cleaning materials in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials. Check local guidelines for hazardous waste disposal.
