

WEAPONS CARE SYSTEM PELLETS - VFG 30 CALIBER-7.5MM FELT PELLETS 50/BAG

Absorbent Felt Pellets Quickly Scrub Barrels Clean

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

Attributes

- Name: VFG 30 CALIBER-7.5MM FELT PELLETS 50/BAG
- Manufacturer: VFG
- Product no.: 929100300
- Mfr. No.: 331957
- Caliber: 30 Caliber (.308)
- Qty: -
- Quantity: 50
- Delivery weight: 0.023kg

Safety Instruction Guide for WEAPONS CARE SYSTEM PELLETS VFG 30 CALIBER 7.5MM FELT PELLETS 50/BAG

Introduction

Thank you for choosing the WEAPONS CARE SYSTEM PELLETS VFG 30 CALIBER 7.5MM FELT PELLETS. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates on product safety and recalls through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the cleaning pellets only as intended for cleaning rifle and handgun barrels.
- Always wear appropriate safety gear, such as gloves and eye protection, when handling cleaning solvents.
- Ensure the firearm is unloaded and pointed in a safe direction before using the product.
- Do not use the cleaning pellets with solvents that are not recommended by the manufacturer.
- Avoid using the product in poorly ventilated areas to reduce inhalation risks from solvents.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and in a safe condition.
- Gather all necessary materials, including the cleaning rod adapter, cleaning solvents, and the felt pellets.

2. Using the Cleaning Pellets:

- Slip two felt pellets onto the cleaning rod adapter.
- Apply your preferred cleaning solvent to the pellets.
- Insert the cleaning rod into the bore of the firearm and push it through to scrub out dirt and fouling.
- As you withdraw the rod, the front pellet will fall off, while the rear pellet will continue to polish the bore.

3. Post-Cleaning:

- After cleaning, apply oil or other recommended products as needed.
- Dispose of used pellets and solvent-soaked materials in accordance with local regulations.

Disposal Instructions

- Dispose of used cleaning pellets and any solvent-soaked materials responsibly.
- Follow local waste management regulations for hazardous materials.

- Do not dispose of cleaning solvents in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the product's safety, please contact the manufacturer or the designated EU contact point.

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning process for your firearms. Thank you for your attention to these important safety measures.
