

WEAPONS CARE SYSTEM PELLETS - VFG 338 CALIBER-8MM FELT PELLETS 50/BAG

Absorbent Felt Pellets Quickly Scrub Barrels Clean

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

Safety Instruction Guide for WEAPONS CARE SYSTEM PELLETS VFG 338 CALIBER8MM FELT PELLETS 50/BAG

Introduction

Thank you for choosing the WEAPONS CARE SYSTEM PELLETS. This product is designed to help you clean rifle and handgun barrels efficiently and effectively. To ensure your safety and the safety of others, please read this guide carefully before using the product.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the cleaning area is wellventilated.
- Do not use the product with solvents or oils that are not recommended by the manufacturer.
- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling solvents.
- If you experience any adverse reactions while using the product, discontinue use immediately and seek medical attention.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The product contains solvents that may be harmful if inhaled or ingested.
 - The felt pellets may pose a choking hazard if swallowed.
- **Avoiding Hazards:**
 - Do not ingest the felt pellets or any cleaning solvents.
 - Always ensure that the cleaning rod is securely attached before use.
 - Use only in a controlled environment away from flammable materials.
 - Dispose of used pellets and solvents according to local regulations.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials: cleaning rod, felt pellets, and your preferred cleaning solvent.
- Ensure that the cleaning area is clean and welllit.

2. Installation:

- Attach the cleaning rod adapter to your cleaning rod.
- Slide two felt pellets onto the adapter. Ensure they fit snugly.

3. Application:

- Apply your chosen solvent to the felt pellets.
- Insert the cleaning rod into the bore of the firearm.
- Push the rod through the bore to scrub out dirt and fouling. The front pellet will fall off as you withdraw the rod, while the rear pellet will continue to polish the bore.

4. PostUsage:

- After cleaning, remove any remaining pellets from the rod.
- Dispose of used pellets and any solventsoaked materials responsibly.

Disposal Instructions

- Dispose of used felt pellets and solvent containers in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste.
- Check for any local hazardous waste disposal programs for solvents.

Contact Information for Further Support

For any inquiries regarding product safety, usage, or recalls, please refer to the manufacturer's contact information, which can usually be found on the packaging or the official website.

Conclusion

By following these safety instructions, you can ensure a safe and effective cleaning experience with the WEAPONS CARE SYSTEM PELLETS. Always prioritize safety and proper handling to maximize the product's effectiveness while minimizing risks. Thank you for your attention to these important guidelines.
