

# WEAPONS CARE SYSTEM PELLETS - VFG 44 CALIBER FELT PELLETS 250/BAG

## Absorbent Felt Pellets Quickly Scrub Barrels Clean

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

# Safety Instruction Guide for Weapons Care System Pellets VFG 44 Caliber Felt Pellets

## Introduction

Thank you for choosing the Weapons Care System Pellets VFG 44 Caliber Felt Pellets. This product is designed to help you clean your rifle and handgun barrels efficiently and effectively. To ensure safe use and maximum benefit from this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the cleaning process of firearms before using this product.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Use only the recommended cleaning solvents and oils with this product.
- Regularly check for any product recalls or safety alerts on the EU Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when cleaning firearms.
- Ensure that the firearm is unloaded before beginning the cleaning process.
- Do not use the felt pellets if they show signs of damage or wear.
- Avoid using excessive force when pushing the pellets through the bore to prevent damage to the firearm.
- Store the cleaning rod adapter and pellets in a safe and dry place when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including the felt pellets, cleaning rod adapter, and your preferred solvent.

### 2. Installing the Felt Pellets:

- Slip two felt pellets onto the cleaning rod adapter.
- Ensure that the pellets fit snugly to follow the rifling of the barrel.

### 3. Applying Solvent:

- Apply your favorite solvent to the felt pellets as per the manufacturer's instructions.

### 4. Cleaning the Bore:

- Push the cleaning rod with the attached pellets through the bore of the firearm.
- Use a smooth and steady motion to scrub out dirt and fouling.
- As you withdraw the rod, the front pellet will fall off, while the rear pellet continues to polish the bore.

### 5. PostCleaning:

- After cleaning, apply oil or cleaner as needed to protect the bore.
- Dispose of used felt pellets responsibly.

## **Disposal Instructions**

- Dispose of used felt pellets in accordance with local waste disposal regulations.
- Do not dispose of felt pellets in water bodies or general household waste if they contain solvents or chemicals.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the Weapons Care System Pellets, please refer to the product packaging for contact information or consult your retailer.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the Weapons Care System Pellets VFG 44 Caliber Felt Pellets. Thank you for your commitment to safe firearm handling and maintenance.
