

WEAPONS CARE SYSTEM PELLETS - VFG 45 CALIBER FELT PELLETS 250/BAG

Absorbent Felt Pellets Quickly Scrub Barrels Clean

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

Safety Instruction Guide for Weapons Care System Pellets VFG 45 Caliber Felt Pellets

Introduction

Thank you for choosing the Weapons Care System Pellets VFG 45 Caliber Felt Pellets. This product is designed to provide an innovative and efficient cleaning solution for rifle and handgun barrels. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure safe use of the product by following all instructions carefully.
- This product is intended for use with firearms and should be handled with care.
- Always store the pellets in a dry, cool place, away from direct sunlight.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear safety goggles when cleaning firearms to protect your eyes from solvents and debris.
- Use gloves to avoid skin contact with cleaning solvents and oils.
- Ensure proper ventilation when using solvents to avoid inhalation of fumes.
- Do not use the product with incompatible solvents or cleaning agents.
- Do not exceed the recommended number of pellets for cleaning to avoid excessive wear on the barrel.
- Always ensure the firearm is unloaded before cleaning.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary materials including the cleaning rod, felt pellets, and your preferred solvent.

2. Installation of Pellets

- Slip two felt pellets onto the cleaning rod adapter.
- Ensure the pellets fit snugly to follow the rifling effectively.

3. Application of Solvent

- Apply your preferred cleaning solvent to the felt pellets.
- Ensure that the solvent is suitable for use with your firearm.

4. Cleaning Process

- Insert the cleaning rod with the attached pellets into the bore.
- Push the rod through the bore to scrub out dirt and fouling.
- As you withdraw the rod, the front pellet will fall off, while the rear pellet continues to polish the bore.

5. PostCleaning

- After cleaning, inspect the bore for cleanliness.
- Apply oil or other cleaning agents as needed, using the rear pellet for minimal mess.

Disposal Instructions

- Dispose of used felt pellets according to local regulations.
- Do not dispose of cleaning solvents or oils down the drain. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or support regarding the Weapons Care System Pellets, please refer to your local distributor or manufacturer's website for contact information.

By following these guidelines, you can ensure safe and effective use of the Weapons Care System Pellets VFG 45 Caliber Felt Pellets. Thank you for your attention to these important safety instructions.
