

WEAPONS CARE SYSTEM PELLETS - VFG 22 CALIBER FELT PELLETS 500/BAG

Absorbent Felt Pellets Quickly Scrub Barrels Clean

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

WEAPONS CARE SYSTEM PELLETS VFG 22 CALIBER FELT PELLETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the WEAPONS CARE SYSTEM PELLETS VFG 22 CALIBER FELT PELLETS. This product is designed for efficient cleaning of rifle and handgun barrels. To ensure safe and effective use, please read this safety instruction guide thoroughly. It contains important information regarding the safe handling, usage, and disposal of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always keep the product out of reach of children and vulnerable individuals.
- Use in a wellventilated area to avoid inhalation of cleaning solvents.
- Wear appropriate personal protective equipment (PPE) such as gloves and safety goggles when handling solvents and during cleaning operations.
- Regularly inspect the product for wear or damage before use. Do not use if damaged.
- Follow all local regulations regarding the handling and disposal of cleaning solvents and materials.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The use of solvents can pose health risks if inhaled or if they come into contact with skin.
 - Improper use of the cleaning pellets may cause damage to the firearm or result in ineffective cleaning.
- **Avoiding Hazards:**
 - Always use the recommended cleaning solvents and follow the manufacturer's instructions for their use.
 - Do not force the cleaning rod or pellets through the barrel; apply gentle pressure to avoid damage.
 - Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- **AgeSpecific Warnings:**
 - This product is not intended for use by children. Always supervise the use of this product by minors or inexperienced users.

Instructions for Installation and Usage

1. Preparing for Use:

- Ensure the firearm is completely unloaded and in a safe position.
- Gather necessary items: cleaning rod adapter, felt pellets, and your preferred cleaning solvent.

2. Installation of Cleaning Rod Adapter:

- Select the appropriate adapter for your cleaning rod:
 - Adapter 603 fits Parker Hale .270 and larger rods.
 - Adapter 604 fits Parker Hale .22 6.5mm rods.
 - Adapter 606 fits 732 tpi rods.
 - Adapter 607 fits 832 tpi rods.
- Attach the adapter securely to the cleaning rod.

3. Using the Cleaning Pellets:

- Slip two felt pellets onto the cleaning rod adapter.
- Apply your chosen cleaning solvent to the pellets.
- Insert the cleaning rod into the bore of the firearm.
- Gently push the rod through the bore to scrub out dirt and fouling.
- As you withdraw the rod, the front pellet will fall off, and the rear pellet will continue to polish the bore.

4. PostCleaning:

- After cleaning, ensure that all cleaning materials are disposed of properly.
- Clean the cleaning rod and adapter with solvent to remove any residue.

Disposal Instructions

- Dispose of used cleaning pellets and any solventsoaked materials according to local regulations.
- Do not dispose of cleaning solvents down the drain or in regular trash. Check for hazardous waste disposal facilities in your area.

Contact Information for Further Support

For any inquiries regarding safety or product concerns, please contact your local distributor or manufacturer's customer service.

Thank you for your attention to these safety instructions. Using the WEAPONS CARE SYSTEM PELLETS responsibly will ensure a safe and effective cleaning experience for your firearms.
