

WEAPONS CARE SYSTEM PELLETS - VFG 30 CALIBER-7.5MM FELT PELLETS 500/BAG

Absorbent Felt Pellets Quickly Scrub Barrels Clean

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

Attributes

Safety Instruction Guide for WEAPONS CARE SYSTEM PELLETS VFG 30 CALIBER 7.5MM FELT PELLETS 500/BAG

Introduction

Thank you for choosing the WEAPONS CARE SYSTEM PELLETS VFG 30 CALIBER 7.5MM FELT PELLETS. This product is designed to clean rifle and handgun barrels efficiently and effectively. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle cleaning products and tools with care to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the cleaning area is well ventilated.
- Do not use the product in the presence of open flames or high heat sources.
- Regularly check for product recalls and safety updates via the EU's Safety Gate platform.
- Report any unsafe product experiences or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Before using the pellets, ensure that your firearm is unloaded and pointed in a safe direction.
- Use only the recommended cleaning rod adapter for your specific firearm model.
- Avoid excessive force when pushing the felt pellets through the bore to prevent damage.
- Do not use the pellets with incompatible solvents or cleaning agents.
- Wear protective eyewear and gloves when handling solvents to avoid skin and eye irritation.
- Dispose of used pellets and cleaning materials according to local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure you are in a well ventilated area and have all necessary tools and solvents at hand.
- Confirm that your firearm is unloaded and in a safe position.

2. Loading the Pellets:

- Take two felt pellets and slide them onto the cleaning rod adapter.
- Ensure they fit snugly to follow the rifling of the bore.

3. Applying Solvent:

- Apply your preferred cleaning solvent to the felt pellets.
- Use only compatible solvents to avoid chemical reactions.

4. Cleaning Process:

- Insert the cleaning rod with the pellets into the bore.
- Push the rod gently through the bore to scrub out dirt and fouling.
- As you withdraw the rod, the front pellet will fall off, while the rear pellet polishes the bore.

5. Post-Cleaning:

- After cleaning, apply oil or other cleaning agents as needed.
- Dispose of used pellets properly.

Disposal Instructions

- Dispose of used felt pellets and any cleaning materials in accordance with local waste disposal regulations.
- Do not throw used pellets in regular trash; check for hazardous waste disposal options in your area.

Contact Information for Further Support

For any inquiries regarding the safety and use of this product, please refer to the appropriate contact point as indicated on the product packaging or retailer's website. Always keep the product manual for future reference.

By following these guidelines, you will ensure a safe and effective cleaning experience with the WEAPONS CARE SYSTEM PELLETS VFG 30 CALIBER 7.5MM FELT PELLETS. Thank you for your attention to safety and compliance.
