MDT ESS Chassis System Kit Stiller TAC338 CIP

Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit Stiller TAC338 CIP. This guide provides essential safety instructions to ensure the safe use and handling of the chassis system. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow manufacturer instructions for assembly and use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the chassis system in a manner that may compromise safety.
- Avoid exposure to extreme temperatures and humidity.
- Ensure that the chassis is securely attached to the rifle before use.
- Do not attempt to modify or alter the chassis system.
- Always wear appropriate safety gear when handling firearms.

Instructions for Installation and Usage

1. Unpacking the Chassis System

- Carefully remove the chassis from the packaging.
- Inspect all components to ensure nothing is damaged or missing.

2. Installation Steps

- Place the chassis on a stable surface.
- Align the rifle with the chassis mounting points.
- Securely attach the rifle to the chassis using the provided screws and tools.
- Ensure all connections are tight and secure before proceeding.

3. Usage Instructions

- Always check that the rifle is unloaded before installation.
- Use the chassis in a safe environment, free from distractions.
- Follow all local laws and regulations regarding firearm use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Check with local authorities for proper disposal methods.
