MDT ESS Chassis System Kit Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Daniel Defence Delta 5 rifle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Always handle the chassis system with care to avoid injury.
- Ensure the product is used in accordance with the manufacturer's specifications.
- Regularly inspect the chassis for any signs of damage or wear.
- Keep the chassis away from children and unauthorized users.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the chassis system if it appears damaged or malfunctioning.
- Ensure that all components are securely fastened before use.
- Avoid using the chassis in adverse weather conditions that may affect performance.
- Always wear appropriate safety gear when using the chassis system.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Carefully unpack the chassis system from its packaging.
- Read all instructions provided with the chassis before installation.
- Align the chassis with the rifle according to the manufacturer's guidelines.
- Securely attach the chassis to the rifle, ensuring all screws and fasteners are tight.
- Check for proper alignment and stability before use.

2. Usage:

- Familiarize yourself with the features of the chassis system.
- Always ensure the rifle is unloaded before making adjustments to the chassis.
- Practice safe handling and shooting techniques when using the rifle with the chassis.
- Regularly clean and maintain the chassis to ensure optimal performance.

Disposal Instructions

- Dispose of packaging materials responsibly, following local recycling guidelines.
- When the chassis has reached the end of its life, dispose of it in accordance with local waste management regulations.
- Do not dispose of the chassis in household waste if it contains hazardous materials.
